

**DONATION AGREEMENT**

**OWNER/ACCOUNT NUMBER:** \_\_\_\_\_

**RESORT NAME:** \_\_\_\_\_

I, \_\_\_\_\_, do hereby state that the property I desire to donate has no outstanding maintenance fees, assessments, taxes, mortgage or any other type of fee. I agree to pay all fees associated with this donated property until it is transferred out of my name including but not limited to any resort imposed estoppels/account verification fee. (i.e., until the newly recorded ownership documents have been received by the resort.)

I agree that I will not use, bank or make a reservation for the above described unit or points for the "next year available for use" (as stated above) or for any subsequent years.

I also understand that once this form is submitted, 'Donate Timeshare Online' will begin a time consuming and costly title search process on my property and that I fully intend to perform any necessary duties to complete the donation of the property. My duties include (but are not limited to) faxing or sending ownership documents to the closing company and notarizing newly drafted ownership documents.

I further state that I will not dispose of this property during the donation process, i.e., I have not attempted nor will I attempt to donate this property to any other organization, sell the property or in any other way dispose of it during the donation process.

If I do dispose of the property during the donation process, I agree to pay 'Donate Timeshare Online' for the work that that was completed.
